The board approved the 2021-2022 budget Over the Phone With the board members (see Ken for dollar amounts)

Mr. Hartsaw informed the board members that additional money would be coming from FTE This Year

Mr. Hartsaw began discussing how many students we had this year 260, this is up from last year only having 240 students, but with 260 we break even. The plan is to have 260 for the 2021-2022 school year

Mr. Hartsaw told the board When Graduation was and invited them to come, he also told the board how Corvid 19 has Impacted the students working online and on face to face at the school. Plus how the school is working with the students, so the can graduate this year. and told them we might have to have summer school

Carl Merrell Talked to the board about students getting jobs, and how the Covid 19 has been a problem with finding places that are open and that can hire are kids, some places that have been open have closed due to the virus. It is the school's hope that the 2021-2022 school year places will be back open and we might not have that problem.

Ms. Jones talked to the board about how the school year was going and how she thinks covid has affected the students and how them working online is going. The board asked if any students have said they miss going face to face.
